

To all of our customers, thank you for your patronage and welcome to our combined May, 2012 New Product Announcements, Pre-Order Announcements and DCC Tips newsletter.

### **In The News...**

Streamlined Backshop Services is proud to announce we have finally gotten around to some formal advertising. Be sure to see our monthly ads in the marketplace section [Model Railroad Hobbyist](#) magazine beginning with the May, 2012 issue.

We truly appreciate your patronage. Thank you.

Streamlined Backshop Services is also proud to announce we are now an authorized [NCE](#) dealer.

We will be adding the complete [NCE](#) catalog to our store in the coming weeks. Contact us if you need any [NCE](#) products not yet available online.

[Soundtraxx](#) has created the [Decoder Selector](#) to help you figure out which sound/ decoder style/ speaker is correct for your locomotive. Some of the locomotives listed have a link to an Application Note on installing the decoder in the locomotive.

### **New Products...**

[Streamlined Backshop Services](#) has added lots of new inventory including:

- [CT Elektronik](#) DCX76zD/F and DCX74zD/F decoders and CT "Sugarcube" speakers ... NOW IN STOCK!!

The DCX76z is the worlds smallest decoder. This one is amazingly small.

- New MT freight cars
- Lots of new Kato locos and rolling stock
- The [Kato structure line](#) that fits especially well with the new Unitram line.

In Stock and soon to be listed:

- BMLA N Scale detail parts
- Miniatures by Eric N scale detail parts
- Micro-Trains Nn3 and Z Scale Trucks and Couplers

### **Pre-Orders**

We are still tip-toeing into the Pre-Order market with the second item being the new [Fox Valley ES44AC Gevos](#) painted in the NS Heritage schemes. If there is interest, we will continue to grow this part of the store.

### **DCC Tips and Tricks...**

Our How-To demo for this month will be upgrading the pickups on Walthers P2K 0-8-0 tenders.

Here is a link the demo:
