FOX VALLEY SHIPPING UPDATE ...

The first round of N GEVO's, 5347 boxcars and 5283 boxcars have been shipped. Round two will ship late next week and the final round in early Feb. The factory is finishing up the NS Heritage GEVOs and the next round of N RD-4 coal hoppers. Those should start deliveries in late Feb or Early March and take us through April. With the Lunar Holiday at the factory, there will not be much production in Feb and part of March. This means the N GP60's will not get to the production floor until Mar/Apr putting their delivery in May/June. A longer wait than most of us want, but steady progress will see much new product this year.

DIGITRAX ZEPHYR FIRMWARE UPDATE ...

Digitrax has released a new update to Zephyr Xtra on Jan 12, 2013 that fixes occasional unit shutdown on track shorts. The update is available [HERE](#).
